One (1) hour in each work day shall be allowed as a meal hour but the time allowed for the said meal hour may be reduced on any job by agreement between the Employees on the job and the Employer.

Employees shall be ready for work at starting time and shall remain at work until quitting time. Employees are to commence and complete their shift at the lunchroom.

The foregoing starting and quitting times and/or work week schedule may be changed to suit job requirements or conditions by mutual Agreement between the Employer and the Local Union representative or senior on site Union member when the Local Union representative cannot be reached by telephone to make a timely decision. In the event the foregoing starting or quitting times are changed without mutual Agreement, applicable

overtime rates shall be paid for any time worked before or after the above hours as a result of the change of times.

The standard work week for day shift or single shift will be forty (40) hours per week consisting of five (5) shifts of eight (8) hours Monday to Friday inclusive.

An employee must work all available straight time hours in a day before qualifying for overtime rates on the same day. Further, an employee must work all available straight time hours in a week before qualifying for overtime rates in the same week, except as in cases where Appendix E applies, or when the Employee's absenteeism on any working day is due to a bona fide illness or absence due to compassionate grounds satisfactory to the Employer and the Union Representative.

Lunch Breaks During Overtime Hours

The meal will be provided **after** the first two (2) hours of overtime and at each four hour interval thereafter. The Employee shall be allowed a twenty (20) minute meal break and shall be compensated at the applicable rate of pay.

- b) When working under the five (5) day work week schedule, Saturday may be used as a make-up day when weather or other conditions beyond the Employers' control, which halt work, have caused lost time during the regular work week. A make-up day will only be worked during the same week that the time is lost. Work performed on a make-up day shall be paid at the regular straight time rate for the first eight (8) hours, at one and one half (1.5x) times their regular rate for the first two hours of overtime, after which double time (2x) shall apply. The Employer must advise each Employee in advance the minimum number of hours to be worked or paid for on Fridays.
- c) When working under the four (4) day work week schedule, Friday may be used as a make-up day when weather conditions have caused lost time during the regular work week. A make-up day will only be worked during the same week that the time is lost. Work performed on a make-up day shall be paid at the regular straight time rate for the first ten (10) hours to a maximum of forty (40) hours (not including show up time) per week after which the double time (2x) rates shall apply (reduced appropriately when a statutory holiday occurs during that week). In no case shall the time scheduled on a make-up day be less than eight (8) hours. Time worked on make-up days shall be considered scheduled work hours.

11:05 Saturdays, Sundays and Holidays

All hours worked during the construction phase of projects on Saturdays, Sundays and recognized holidays shall be paid at double time (2x), except when Saturday is worked as a make-up day in accordance with 11:03(b) above.

11:06 Show Up Time

When an Employee is requested to report to a job for hiring and is not hired, an allowance equal to two (2) hours' pay at straight time rates including all benefits shall be given to the Employee by the Employer. This payment shall not be made when the weather or site conditions due to weather do not permit work.
